Re: 11-10-04 Phone Interview

Application: 10/658,212

Applicants: John Lawson, Jan Ter Louw

Attorney Docket Number: US-2003-010

Filing Date: 09/09/2003

Art Unit: 2873

Examiner: Hasan, Mohammed A.

Dear Examiner Hasan,

Thank you for your call and interview of November 10, 2004.

I understand that you will cancel Claims 32 – 34, and amend Claims 28 and 29 to add the limitation that visible and infrared band focus adjusts simultaneously.

Please advise me of any further actions required on our part, or whether a Notice of Allowance will now be issued.

As I mentioned briefly during our interview, I attempted to transmit a Revised Response to you on September 28, 2004. Can you confirm that you did receive it? The Post Office tells me it was lost (see attachment). The Claims are the SAME, but I'd appreciate the information.

Best wishes,

I sent the express mail package ED032894543US from Placentia CA to Alexandria VA on 9/28/04. The track and confirm site says it left Placentia, but has no data after that, like delivery to the PO Box in Alexandria. IS THIS SHIPMENT LOST?

Please advise by email: markspatents@aol.com (or phone) as soon as possible.

Thank you,

-Mark A. Lundgren (951) 233-9262
